

Seven Iconic Cape Ensembles

After five years of immense popularity, the capes were in high demand, prompting her to make the decision to transition to the next phase. Now, 47 years later, the latest iteration of the Seven Iconic Capes continues to dominate, remaining the most sought-after scene in her stage productions.

Missouri embodies the essence of a true fashion designer. The pinnacle of her career was marked by the creation of the 7 Iconic Cape Ensembles. Between 1984 and 1989, she showcased those beautiful capes in fashion shows from the North to the South.

Commemorating this milestone, we've crafted posters with a poetic touch, serving as memorabilia and an inspiration for all to pursue their dreams now!
