

Covid-19

From the very beginning of the outbreak of the Coronavirus, STYLETAINMENT took rigorous measures and our priority has always been and remains the health and safety of our artists, but also of our public.

Taking into consideration the World Health Organization (WHO) and the Centers for Disease Control and Prevention (CDC) recommendation for social distancing, we have taken several measures to respond to the escalation of the Coronavirus (COVID-19) pandemic.

For this reason, and until further notice, STYLETAINMENT has paused, all booked shows temporarily. We continue to actively monitor and assess the situation to determine when we can resume. Our team is currently working to develop the protocols and security measures that will be set in place when we can resume our operations. Those protocols and measures will be communicated in due course.

Stay Safe, Practice Social Distancing and PLEASE wear your MASK.

God bless the entire World.
