## STYLETAINMENT

NEW BRUNSWICK PERFORMING ART CENTER

Thank you for joining us for our 10<sup>th</sup> Year Anniversary. It has been an incredible journey and it is great to be back on stage, sharing our show with you.

STYLETAINMENT is not just a production company that produces extraordinary experiences. It is who we are at our very core. It's our inspiration to never give UP and so much more.

47 Years later and WE DID IT, with all the obstacles and detours...WE DID IT.

We hope you get inspired to jump, so you can learn to soar and live your dreams now.

#### Our message to you is simple:

"If you have not touched the heart of people, you haven't done anything."

Remember, everything that was ever created began with a thought...stop procrastinating... JUST DO IT!

As you continue on this journey we call life, reach out and grab someone by the hand that's not as strong as you and "take them with you, please?

Teach them so they can teach someone else. When you have reached the top, don't get complacent. If you look down, you will see many striving to get up...travel back for more. After all, if you are at the top, where else can you go?"

Now go out and do something nice for someone else!

We hope to see you next year!

We wish you, Unconditional Love, Creativity and Empowerment,

The Producer's,

Missouri & Kyra Shanae

## IN HONOR OF

TAKE CARE OF YOU. DON'T DELAY YOUR MAMMOGRAM.

## IN HONOR OF

The little Girl that Dared to DREAM

The Mother that inspired her DREAMS

The BARBIE DOLL that propelled her into action

STYLETAINMENT is a theatrical fashion production company that produces extraordinary performances and events, fusing the art of Style and Entertainment from a unique point of view.

The company's first production, The Show, A Cancer Survivor's Story premiered in 2012. It is a narration in movement, telling the powerful story of a cancer survivor's determination to live her life with strength and gratitude in the face of extraordinary difficulties--and her ultimate triumph. It's about the faith, perseverance and self-determination of a little girl who dared to dream.

Weaving together a poetic tapestry of blissfulness through the universal language of music, fashion and dance, The Show, A "Cancer Survivor's Story", takes the audience on an uplifting and inspirational journey of tremendous beauty, style, fantasy, mystery, seduction and creative energy.

Rather than pure entertainment, The Show, A Cancer Survivor's Story is also a powerful platform that honors and uplifts breast cancer survivors, as well as brings awareness to the desperate needs of homeless women with cancer--a plight that the creator of the show, Missouri, experienced first-hand while battling cancer. It is her hope that one day, there will be "A Home," where these women can live while going through treatments and healing, and become productive and proud citizens once again.

THIS IS A CELEBRATION OF THE 7 ICONIC CAPE ENSEMBLES

47 YEARS LATER AND THEY ARE STILL AT POPULAR DEMAND

Missouri introduced 7 Cape Ensembles to a room of 500 and the crowd went wild. For 5 years from Boston to ATL, she was at popular demand, Every fashion show producer wanted those cape.

#### HAIL TO THE CAPES

THEY ARE TRULY FASHION-IN-MOTION

Since the 1980's those magical 7 capes have been flying high above gorgeous faces. Inspiring a new generation to carry on the legacy of style and grace.

Rich colors whipping across the stage inciting excitement from the audience roaring: "encore, encore."

As the opening number of a spectacular show, All About Me, leaves you desiring more. So fasten your seatbelts and prepare to be moved down to your very core.

Read the story in the first edition of My Journey to STYLETAINMENT and see all the vibrant photos in the second edition.

## A CELEBRATION OF THE THE 7 ICONIC CAPE ENSEMBLES

#### HAIL TO THE 7 INCONIC CAPES

"Winning that competition set the pace for my career. Instead of taking the prize of an all-expense trip to Paris, because my sons were young, I took the cash equivalent and stayed home. I just could not leave my babies at that time. However, I did persevere and entered two other Designer Competitions and won first place repeatedly. I was on a roll. I had found my niche and was following my dream. Because of my ability to WOW the audience and WIN, the promoters of these competitions stopped letting me enter because they knew I would win. So, instead they hired me to not only be a fashion innovator but to be the entertainment.

For my first job, I was hired by the famous producer, to provide fashion entertainment at the landmark "Peppermint Ballroom." I created 7 cape ensembles that included matching hats, gloves (yes, I made the gloves too, stockings and shoes.)

The colors were, red, royal blue, black, yellow, ivory, emerald green, and purple. I selected 7 models, (6 girls and 1 guy), the music, rented a fog machine and I tell you when those models hit that runway in my designs...baby...not only was the crowd screaming and standing in their chairs, but they were also standing on the tables. When it was over they started yelling encore...encore...and YESSSSSS we did it again!!

Ohhh, those 7 capes...those 7 capes...those 7 cape ensembles were iconic. They fed me and my three sons for 5 years. At that time, I was one of the highest-paid freelance fashion designers in New Jersey. Every show we were hired to do, someone from that show would hire us for the next one. From 1984 to the current day, I have participated in and produced hundreds of shows from Washington, DC to Boston. The "Iconic Capes" continue to lead the pack. Here we are 36 years later and they still want them. They still bring the WOW factor. They still dominate the stage to this day!"

Out of the pages of: My Journey to STYLETAINMENT, A Life Stitched Together!

Missouri has participated and produced hundreds of shows. She's a Visionary, Producer, Stylist, Entertainment Designer & Author with a very distinct point of view. Missouri has paved a path "her way" into the style and entertainment industries. She was awarded "Female Entrepreneur of the Year" for her commitment to achieving personal success and empowering success in others. After being diagnosed with stage 2 breast cancer in 2010, she realized "LIFE IS NOW" and NOW is all we have. So she decided (while going through chemo) to bring her life-long dream to the stage...and STYLETAINMENT was born! Missouri is a powerful but gentle force, she has created a platform for many others to display their talents. Honoring and uplifting women is a part of her life's path. She is a gift to the world and thank God her journey continues. If you've ever been in a position of thinking about quitting on your DREAMS, take a page out of her book and get inspired, because Missouri is the poster child for NEVER GIVE UP!

I'M KYRA SHANAE, AND IT IS AN HONOR TO BE STYLETAINMENT'S PRODUCER, HEAD PRODUCTION CHOREOGRAPHER AND CAST MEMBER. Bringing my mother's vision and designs to life onstage is quite amazing. My favorite scene is "All About Me" and probably not for the reasons you are thinking. Yes, it is super fun to twirl and whip those capes around. Yes, I love the reaction we get from the crowd whenever, wherever we performed that scene. Yes, the colors are so vibrant it makes me smile every time I see them fly in the air. However, none of those reasons are why it is my favorite. It is my favorite because it has a significant meaning to my mom. You see, back in the '80s before The Show, before cancer, even before me, my mom traveled and made a living off of 7 capes, very similar to what you see today. She had the vision then but got sidetracked with life and kids. Performing "All About Me" today just feels like I am picking up where she left off. It's as if no time has passed and we don't plan on stopping anytime soon!

MY NAME IS IMANI TAHIRA, I AM THE PRODUCTION MANAGER AND CAST MEMBER FOR STYLETAINMENT. The Show is like a manifestation on stage about someone who decides to fight to live and start doing what they were truly meant to do. It is very inspiring how it comes to life visually. It is a survivor's story that is captivating, exhilarating, and attention-grabbing. You never know what may happen in each scene from the beginning to end. The narration provides an "in the moment" feeling as to how Missouri's journey went from her perspective. My favorite scene is: Wild Orchid: because it's mysterious, bright, and surprising. This scene feels like you're coming into your own and letting the world know you have blossomed into confidence.

## DIRECTOR OF DANCE

## MY NAME IS DEVONNE JONES I AM THE HEAD DANCE CHOREOGRAPHER AND CAST MEMBER FOR STYLETAINMENT.

What moves me about STYLETAINMENT is that it is a company that knows the potential it has and where that potential could lead to. It moves me because I can see it for myself in the way we work. Not only that, but the greater focus is also to be a blessing to women who are homeless and living with and recovering from cancer. A lot of passion goes into every single detail to make the company what it is. I am so supportive because I believe my purpose and the purpose of STYLETAINMENT are in alignment. STYLETAINMENT The Show, A Cancer Survivor's Story is a "layered" production that does not really fit into a single category. It is a combination of theater, dance, music, poetry, and fashion with each element no more important than the other.

MY NAME IS RUTHIE PHILLIPS MY FUNCTION WITH STYLETAINMENT IS PRODUCTION MANAGER ASSISTANT AND CAST MEMBER. STYLETAINMENT is home! It's a passion it's my Outlet. It's magnificent! You have to see it! My favorite scene to perform is Mavantra Heat! It's fire, sexy, moving and satisfying! My favorite scene for people to see is Wild Orchid! It's magnificent! You have to see it! I want fans to know we are only going to get bigger and bigger oh and bigger! So that scene is just the beginning. STYLETAINMENT is an experience that I am so happy I am apart of.

MY NAME IS CRISTINE LEE, I AM THE TALENT MANAGER AND CAST MEMBER OF STYLETAINMENT. Being a part of this show is nothing short of amazing. I am blessed to be in the company of pure genius. STYLETAINMENT The Show is an engaging combination of fashion, dance, song, poetry and theater that tells a story, providing the audience with a fabric of experience that is alive, alluring, believable, and enrolling. When fans come to see a STYLETAINMENT The Show, they should know that there is something in the show for everyone; men and women, all ages and backgrounds. It is dynamic with flair as well and touching and engaging. It is a production everyone will want to see again and again. Don't miss it!

### DANCE CHOREOGRAPHER ASSISTANT

MY NAME IS KEVIN SEAN I AM THE ASSISTANT DANCE CHOREOGRAPHER AND CAST MEMBER OF STYLETAINMENT. Being a part of STYLETAINMENT is truly an experience in it self and has been the most accomplished feeling I've had. I joined the cast in 2014 and I am enjoying the ride. STYLETAINMENT is a one-of-a-kind production. It is not your typical show and adding to the flow gives me a sense of pride. I truly believe the possibilities for STYLETAINMENT are endless and I am looking forward to seeing what Missouri and Kyra creates and manifest next.

MY NAME IS JESSICA HEDBERG, I AM THE STORY TELLER FOR STYLETAINMENT. As the Storyteller, I feel a special responsibility to understand and share the beautiful mission behind the show. The Show was created to stimulate your mind with words of cancer awareness, open your eyes with vibrant colors of lifechanging events, fill your ears with the music of a united fight against a disease that has affected so many, and warm your soul with tantalizing scenes that motivate you to NEVER GIVE UP. STYLETAINMENT is more than just a show for entertainment. It's a motivational movement expressed through artistic and unimaginably creative performances. Behind the many masks of the Storyteller, I am nothing but a vessel for a bigger purpose. I try and embody the soul of a phenomenal woman and tell her story with the passion of a survivor.

MY NAME IS AL-KARIM HOOD SR., AKA, A. HOOD, I AM MISSOURI'S SON AND I ASSIST MY MOTHER AND SISTER, AS A CREATIVE PRODUCER FOR STYLETAINMENT. As a film Producer, Actor, Rapper and Song Writer, watching the choreography that my sister created gives me insights and opportunities to be creative from a different point of view. My Mom has been the most influential person in my life. STYLETAINMENT The Show is about her life, therefore I draw all my strength from her. She is the most creative person I know and her legacy will prove it!

Thank you to my Parents for giving me LIFE. I pray you are proud of the JOURNEY I have chosen and the woman I am BECOMING . . .

What a surprise gift I received for Mother's Day. I lost my dear mother at a young age therefore I didn't have any photos with her as an adult. I never knew my father, I learned at the age of 16 that he'd passed the prior year. What a wonderful Mother's Day gift of me and my parents ... I am holding back more tears, for my first reaction my eyes were filled with tears dropping down my face...I can't tell you the feelings and emotions I feel seeing all 3 of us together in this beautiful painting... I am full... and I'm so blessed to have the worlds most wonderful children that would take the time to gift me something as beautiful, inspiring and breathtaking as this... thank you for loving me... I LOVE YOU MORE  $\bigcirc$   $\bigcirc$   $\bigcirc$ 

This photo is the perfect depiction of what I envision with my parents. My Mother guiding me Forward and my Father protecting me from behind. Me in the middle of pure unconditional LOVE  $\heartsuit$

The First Edition includes, "Tributes to Missouri". Along with her four children, several family and friends expressed their heartwarming thoughts. It is a must read!!!!!!!

Here are quotes from her 4 children's beautiful tributes.

"My Mom is everything, I can't imagine my life without her in it. I've shed tears watching the show. I love the entire show. My Mom is the perfect example of a STRONG BLACK WOMAN and a GREAT AND WONDERFUL MOM. I love her and I always look to her for guidance and advice."

She is my Super HERO! - Raymond

"I can talk about my mom forever, but this is just a part of my insert for her book. You'll have to get mine; the first chapter is dedicated to my mom. In closing I will say this, she has been the most influential person in my life and I draw all my strength from her every time I feel like I can't do anything. I think of her and this has gotten me through so many nights that she doesn't even know. She's just great and her legacy will prove it!" - Karim

"A survivor.... who survived poverty, tragedy, abuse, loss of loved ones... and the toughest of all, cancer, damn... cancer...that one hurt. I thank God every day you won that battle... You are a strong woman Missouri... you are truly a blessing. We are truly blessed to have you here, another year. I Love you!" - Shareef

"My favorite scene of The Show is **All About Me** and probably not for the reasons you are thinking. Yes, it is super fun to twirl and whip those capes around. Yes, I love the reaction we get from the crowd whenever, wherever we perform that scene, Yes, the colors are so vibrant it makes me smile every time I see them flying in the air. However; none of those reasons are why it is my favorite. It is my favorite because it has significant meaning to my mom. You see back in the 80's before STS, before Cancer, before me, my mom traveled and made a living off of 7 capes, very similar to what you see today. She had the vision then but got sidetracked with life and kids. Performing **All About Me** today just feels like I am picking up where she left off. It's as if no time has passed and . . .

## On Oʻlanar of Missauri's Mather

Born in Newark, New Jersey, to Ada Ann Watson Hood. She's the third youngest of seven siblings. She gives thanks to her Mother for being the force in her life, God for being the source of her life and her children for being the wind beneath my wings.

"When I was 9 years old my mother gave me my first Barbie Doll for Christmas. Only coming with the outfit, she was wearing, I decided to take my Mother's fabric remnants and I made "by hand" my Barbie a complete wardrobe. I was so excited that, I made a cardboard runway and on our dining room table, with gospel music playing in the background, I proceeded to invite my Mother to a runway fashion show.

After the show, I told my Mother, one day I'm going to do a BIG SHOW...she patted me on the head saying, sure you will child, sure you will...and life happened. I went on to becoming one of New Jersey's most renowned Fashion Designers. In 2010... I was diagnosed with stage 2 breast cancer and while sitting in my chemo chair, knowing I would be a survivor, I ask myself if I had all the money in the world what would I do with the rest of my life? And my 9 years old self whispered in my ear, saying.

#### "REMEMBER YOU SAID YOU WERE GOING TO DO THAT BIG SHOW?"

After learning about the desperate needs to supporting homeless women with cancer, I knew I could take something as beautiful as fashion to support something as ugly as cancer and in that moment, **STYLETAINMENT** was born.

THE "ADA" AWARD, is a way for my family and I to HONOR OUR QUEEN, MY MOTHER and share her inspiring spirit with the world. By giving me my Barbie Doll she inspired the dreamer in me and although the dream came alive 47 years later...I did it...we did it...

This THE "ADA" AWARD, represents "Inspired Dreams". If someone in your life believed in you and inspired you to see it through and finally you did it...YOU DID IT. NOMINATE THAT PERSON.

#### WE ARE ACCEPTING NOMINATIONS FOR 2023:

3 Nominees will be selected and presented to a panel of judges and the winner will be announced at our Annual Gala Awards.

1924 - 1982
