Our 2023 Kick-Off was absolutely perfect. Our audience truly had a great time, we served our purpose and we brought in the sunshine!!!

Thank you to all that attended...What a Celebration of LIFE and LOVE.

So many highlights, but here is a few that I'd like to share.

The Brown Stone staff, David H Manning, Denise, Floyd, Karim and myself and others lending a hand to transform the room into a Celebratory deco, what teamwork.

Barry Ward and Raymond provided the perfect sounds to set the atmosphere. Harold St. Louis captivated every moment with video; Clifford Smith Jr. captivated every moment with photography; A. Hood taking us Live on social media, Lisa, hosting Red Carpet Interviews; Denise Russo-Caiazzo and Floyd received our guest with a grand entrance and provided gifts for our Honorees. Hattie Smith with chocolate gifts for ALL of our guests, Her and I both making our rounds to say hello welcoming everyone and all the team that stayed behind to pack up my car...including Denise, Floyd, Lisa St Hilaire, Hattie, Al-karim Hood, Clinton Miller Jr. and Damiano...what an amazing team...God is in the blessing business and I am so grateful to be included. THANK YOU ALL!!!!!!

It was wonderful meeting four of our 2023 Breast Cancer Survivor Honorees as well as embracing ALL of our guests. Thank you for the many expressions of love and gratitude for our vision.

The Breast Cancer Panel discussion was great, the Panelist included; Hattie Smith; Anne Pepper; Tania Ellerbe-Turner; Audrey Walker and yours truly "Missouri" as the Moderator, it was wonderful, educational and inspiring.
